eight years late  
SATURDAY, DECEMBER 10, 2016

it's Baaack!  
(FOR This year anyway)

i am The SPIRIT OF  
NOG FEST PAST...

i (was) The SPIRIT OF  
NOG FEST PRESENT

...and we thought there  
was NO FUTURE!

**WHY do we do this?**  
**BECAUSE WE LIKE YOU!** We also like Nog, Beer, music and friends. And we love the joy and friendship that the Christmas season brings!

ATTENTION please...

## GREETINGS!

**from the Lying Lums!**  
Some of you are saying "those darn Lums! they LIED!" and others are saying "YAY, its back" or "Wow, they are doing it again, are they NUTS?" a smattering of you are saying "I think I went to that once" and the rest of you are saying "What the heck is this thing called Nog•Fest?"

**READ ON...**

Eat Me.

i am deLicious!

HO

HO

Maybe... Maybe NOT

We Love iBM

**This Can't be FREE, Can it be?**  
It's not... but the fee will make you feel **GOOD!** Just one **nonperishable food item** gets you in! (if you forget we will still let you in though!)  
We supply lots of (good) **Beer, Egg nog, soda and some food.** We don't time to make figgy pudding and cookies, so we ask that you **bring an edible thing to share if you can.** (But this is totally optional!) If you do bring something, please bring it ready to serve, and nothing that needs to be heated... We are way too busy socializing to have to worry about those things!

## Will there be DANCING?

It will be hard **NOT** to dance because we have a cool huge band playing: **Plugged In and the Scrap Metal Horns!** This band is so cool, that they play for donations to a charity!  
So we will have a bin out for free will **DONATIONS** to a program called Project SOAR.  
**nogfest.com** for info.

## Will NOG-FEST be Back Next Year?

Why even ask? We could tell you, but we might be lying again, remember, we are the Lying Lums!  
You better come this year because this **COULD** be the **VERY** last one!

it's NOT plugged in!?

i'm suddenly NOT SO BLUE!

We are The SPIRITS OF NOG FESTS GONE BY.

## IN 2007...

...we had "Nog•Fest 20: the final Nog" (the logo even said that!) Attendees were so bummed about it ending that they expressed their feelings by dressing up as "Bah Humberg", "Blue Christmas" and the "Nog Reaper" with an Axe through a carton of Nog! That was the 20th consecutive **Nog•Fest**.  
So, this is the **21st Annual**, (8 years late!) "Never say Never"

Reaper Happy Now!

Bah Humberg  
(i wish i could eat OR DRINK OR TALK!)

## WHAT exactly IS Nog•Fest?

It's a **Christmas Costume party** where people dress in Christmas (AKA "noggy") costumes, consume egg nog, beer, food, etc., listen to great music and yes, even dance! You can see examples of costumes throughout this poster and at **nogfest.com**

## When is it?

**SATURDAY DECEMBER 10, 2016** starting at **6pm** and lasting until all the nog bowl runs dry!

## WHERE is it?

(We are in a new venue!)  
A Cable Factory in the Nog District of McFarland:  
**4405 Triangle Street McFarland, WI 53558**  
(see schedule of events and more info on how to get there at **nogfest.com**)

## WHAT Should I WEAR?

**A Noggy Christmas-y Costume of course!** We have a **Parade of Costumes** and if you work really hard on your costume, you just might win a **valuable prize!** (We will let you in if you don't wear a costume, but you will wish you did!)

Lead Me To The Nog BOWL.

OOOPS! We did it again!

NogFest was BORN the same year i was!

## Still CONFUSED?

Hey, It's OK, this is not your "run of the mill" Christmas party! It will all be clear to you when you go to **nogfest.com**

i LOVE NOG!

i wish i wore something UNDER This!

Hey! That's ME over There!
